

DATA SHEET

soni COLOR Design

- ▶ **soni COLOR Design** are colorful design elements for convenient insertion into existing standard grid ceilings or Odenwaldsystem ceilings (OWA). They will turn every ceiling into a high light of interior design. They will turn every ceiling into a highlight of interior design. Especially when combined with our **soni COLOR RD / soni COMFORT SD** sound absorber tiles, the decorative inserts can be used to create delightful patterns on the ceiling.
- ▶ **soni COLOR Design** tiles consist of a thermally compressed polyester non-woven with a 3D surface, covered with a thin felt layer in fashionable marbled colors. The product is available in two designs: **soni COLOR Design** YinYang or Wave.

Ceiling design with soni COLOR Design YinYang
